Scott Saajz Hopkins I thought we did chill bar long before attic where we were playing house? I loved the attic Gracie... The lol was at the actual picture being taken and senior rouse being there. :)

Graeme Gracie Chalmers Hi scotty, nope chill was after attic, we had a big night with me and markt on decks with you on lights and some ahem... "little round helpers" which was your conversion night. Chill with you playing house was a few months later. I wish I had photos of that night cos your beaming happy face will be forever stuck in my head as one of my all time fav nights lol.
